

Inauguration Uitenhage/Despatch House of Prayer Monday 12 April 2010

Feedback:

The long term vision for the facility is for it to be a house of prayer 24/7.

In the meantime churches wanting to utilize the facility for prayer meetings, retreats etcetera are welcoming to do so. A set of keys will be made available to them. Pierre will keep track of who is using the building and when. Churches are requested to notify him when they will be using the facility.

Please keep in mind that the campgrounds are also being used by Herman and Lizl Du Toit (Popsi) for their ministry so it will be wise to check with them when they are running programs especially over weekends and holidays. We nevertheless won't foresee any problems as they won't be using the building themselves. Uitenhage/Despatch church and ministry leaders are meeting every Monday from 9-10 here for prayer. All church and ministry leaders are welcome to attend!!!

It is envisaged that a small group of church leaders from Uitenhage/Despatch will oversee the development of the prayer strategy. In the meantime please contact pastors Corrie Muller or Ashley Bradley for comment, suggestions or queries.
